📍 Debrecen, Csanak József u. 7, 4032 Hungary, 4032 Debrecen

Profile

As a computer science student in Hungary, I'm dedicated to exploring diverse topics from algorithms to AI. I've collaborated on a UN project, gaining insights into global issues. Alongside my studies, I've pursued extra courses and completed freelance projects, honing my skills and expanding my horizons. Eager to contribute to the tech world, I embrace challenges with passion and determination.

Education

Bachelor Of Computer Science Aug 2004 - Present
